Sutton, Mass., June 1.—That Mrs. Lavan M. Taft. Mrs. Snow died last Sunday and her physician, Dr. Charles F. Smith, of this town, who was called to attend her on the 33d day of her fast, reported to the medical examiner that she lived 15 days after that day and that her death was due to exhaustion caused by "functional inactivity of the entire alimentary tract, following total abstinence from food from April 9 to May 12, inclusive of April 9."

HOW SPAULDING LOST.

To Randolph High as Told by Randolph Paper.

The story of Spaulding high's defeat by Randolph high at Randolph last Saturday, is told by the Randolph Herald and was as follows:

"Randolph High has been extremely lucky in pulling close games her way this year. She tallied her fourth victory, and kept her slate clean by winning from Spaulding High of Barre on the home grounds Saturday, 4 to 3. It was an interesting contest because of its closeness.

"Both batteries were in fine nettle. In Bass the visitors found an enigma which they solved to the extent of two hits only, a single and a three-bagger. Randolph batted a little stronger, but nothing to boast of.

"Spaulding outplayed the locals altogether in the field. Randolph's infield, with the exception of little Ripley at third, gave a weak exhibition, especially W. Connolly at short and Howard at first. The outfielders got everything within reach. Randolph did dummy work at base running several times, losing one or more chances to score.

"Spaulding scored first in the fourth. After Ayers had been retired, Carswell got a line on Durkee's fumble, stole second and third. Kenefick struck out. Fisher reached first on Connolly's error at short, Carswell scoring. Averill was out at first.

"In the fifth Howard, handling a wide throw by W. Connolly, lifted his foot from first, giving Bruce the base. Wisbart struck out. Noel's single advanced Bruce to second. Durkee's pass filled the bases. On Ayers short hit Bass assisted to an out at the plate. Connolly threw rather high to catch Ayers at first and Howard missed. Noel scoring. Carswell was thrown out by Ripley.

"In the fifth W. Connolly singled, took second on a passed ball and stole third. Ripley struck out. Connolly came home through a fielder's choice on Spooner's weak hit. Spooner stole second and third. Howard flew out. Jones' single scored Spooner. Jones died in an attempt to steal second. Score, 2 to 2.

"In the eighth Ayers retired at first and Carswell struck out. Kenefick had reached first on W. Connolly's error, stole second and third and Fisher's three-bagger scored him. Averill struck out.

"In Randolph's half Howard doubled and reached third on a passed ball. Jones got as far as second on a missed third strike. Durkee fanned. Vail hit to pitcher, who caught Howard. Vail stole second and both Jones and Vail came home on shortstop's costly misplay and poor throw of M. Connolly's hit. Connolly blundered at third in running and was out."

TO VERMONT G. A. R.

General Order by Dept. Commander John A. Sheldon.

Rutland, June 2.—The following general order from Headquarters, Department of Vermont, Grand Army of the Republic, has been issued:

The date for the assembling of the 40th National Encampment has been fixed for the week commencing Monday, August 13, 1906, at Minneapolis, Minn. The official route of the Department of Vermont to this encampment will be via the Central Vermont, Grand Trunk and Wisconsin Central railroads, via Montpelier, Niagara Falls and Chicago. These lines are first-class and desirable in every respect.

The Lyndonville Military Band, one of the best in the country, 20 pieces, will accompany the train and furnish music for this Department at Minneapolis.

Headquarters of this Department will be established at Hotel Nicolet on Tuesday morning, August 14. The great parade of Grand Army men will probably be one of the largest and certainly one of the best ever seen in this country, and no comrade or other person can afford to miss seeing and enjoying it. Parade will move sharp at 10 a. m., Wednesday, August 15.

The round trip rate from all, or practically all, stations in Vermont will be \$2.60. The official train on which will go the Department officers and staff and the Woman's Relief Corps, will leave the State on Saturday afternoon, August 11 and if the number of passengers warrants it, will be a special train, running through to Minneapolis solid, stopping at Niagara Falls during part of Sunday and at Chicago during most of Monday, reaching Minneapolis Tuesday morning, August 14. No veteran should let this opportunity pass without taking in and enjoying this grand trip, and most of all, the pleasure of renewing acquaintances and recounting events of the dark days of '61 and '65, on the route as well as at Minneapolis. Be sure to join the Headquarters train where so many of Vermont's veterans will be found and bring your friends with you.

A circular letter giving all the details of the movements of the train, the sleeping car and hotel arrangements and everything essential to the trip will be issued as soon as the itinerary is fully completed.

The rates and privileges of the trip are not limited to the members of the G. A. R. and Woman's Relief Corps, but are open to all.

Post Committees and comrades can aid in making this trip a success by having published in their local papers the itinerary and any other information concerning the encampment which will be of interest to the public. By command of John A. Sheldon, Department Commander. Official: Henry W. Spaulding, Assistant Adjutant General.

SOME REASONS

Why Barre People Should Follow This Valuable Advice.

Because the proof is in Barre. You can easily investigate it. Not necessary to experiment. With some untired remedy. Profit by the experience of a citizen.

Mrs. Frank Jones of 80 South Main street, Barre, Vt., says: "About five years ago I had such an awful pain in my back that I could hardly get around the house. If I arose quickly after stooping I had spells of dizziness and dark spots before my eyes, while at night it was almost impossible for me to sleep. I was so restless. One day when my back was so bad that I had to go around in a stooped position I was advised to get Doan's Kidney Pills at E. A. Brown's drug store. I procured a supply and commenced taking the remedy. In a few days I knew I was being benefited, for my back became stronger and better. I continued taking Doan's Kidney Pills until the pains in my back disappeared. I had no more of the dizziness and could sleep well at night. At times since then, when I overwork or take cold, there have been recurrences of the trouble in a mild form. I then take a few doses of Doan's Kidney Pills and they have never failed to relieve me. My husband has also used this medicine with the same beneficial results. We would not be without them in the house."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

BIG SHOW COMING.

Barnum & Bailey With New Circus Acts and Sensational Thrillers.

The Barnum & Bailey Greatest Show on Earth will exhibit in Montpelier, Saturday June 9, and an arctic entertainment of more than unusual interest may be anticipated with confidence. The character of the performance is indicated by the comments of the press, which has been unanimous in declaring that all previous records of magnitude and novelty have been surpassed this year.

Although it is announced, a few of last season's most notable acts have been retained, the performance is in the main, a new one, and many feature acts, never before presented in this country, are given prominence in the very comprehensive program.

Among this season's most notable announcements are a military band, a tactical, allegorical portray in the closing days of the Russo-Japanese war in Manchuria and the triumph of "Peace"; three distinct sensations, in one of which an automobile, driven by a beautiful French woman, turns a complete somersault in mid-air; a great circus company of 300 European and American artists, who present the latest achievements in riding, acrobatic and aerial daring; several troupes of remarkably trained horses; an exciting battle scene, presented by the central group of the three great herds of elephants; an entirely new hippodrome, with genuine Kentucky racing stock and jockeys of international reputation, and a largely augmented Zoo of rare wild beasts.

"The standard set by the public for the Barnum & Bailey circus," said a representative of the big show, "places a responsibility upon the management that is accepted with all the untiring effort and heavy expense that it involves. What the public will accept, and, perhaps applaud, in a smaller show, will not suffice when judging of the Barnum & Bailey Greatest Show on Earth. The public has learned to look to this big institution for all that is newest and most novel in the line of arctic entertainment, and in order to justify this expectation and to satisfy the demand for new sensations, an expensive staff of foreign agents, with offices in nearly all the leading capitals of the world, has to be maintained. The duty of these foreign agents is to keep in touch with every new development in the foreign circus world, to engage any and everything of a novel sensational character worthy of importation and to make absolutely certain that the Barnum & Bailey circus shall be the first to introduce the big foreign acts to the American public."

"The result of the show's foreign service is especially noticeable this year. More novel features than have ever before been seen in a single entertainment crowd each other in the program, while, I am sure this season's thrilling aerial automobile and bicycle acts will repeat in this city the startling sensation they have created in every other city where they have been presented. It may also be incidentally interesting to the local public to know that the comprehensive seating scheme originated by this show is still continued, and that everyone purchasing an admission ticket is entitled to a front seat."

Parades have been entirely eliminated by the Barnum & Bailey circus.
